We are doing our part in the "Plant for Victory" Campaign by offering you the best stock at the lowest prices possible. It is our duty to conserve every penny we can. **By ordering your Berries, Fruit Trees, Seeds, etc., now you save an additional 10%.** All of us should have a sizable garden this year, and plant all available space to fruit and flowers. Our Government urges us to plant flowers as well as vegetables as a means of healthful diversion from the strain of world troubles.

OUR CATALOG lists a great many new and old varieties of practically everything for the garden or lawn. Examples are: On page 5 you will find 5 Shrubs for \$1.80; on page 11 Vegetable Seeds for 10c per packet; on pages 20 and 21 you can buy 12 Roses for only \$6.00; on page 22 Asparagus, Rhubarb and Strawberries are listed; on page 25 you can purchase 3 Apple Trees for \$1.80; on page 29 New Dwarf Apple and Pear Trees are described and on page 30 we offer 50 Raspberries for only \$2.25.
